- Self feeding meat mincer
- Grinder mill
- 1.5L Food processor that slices, chops, shreds, granulates

PHILIPS

Highlights

Powerful 900 W motor

Powerful 900 W motor for consistent, unbeatable results.

Planetary Mixing Action

Planetary Mixing Action allows the kneading, mixing and whisking tools to move in a unique backwards and forwards movement rather than just in a simple circle, reaching all corners of the bowl, and resulting in the smooth, thoroughly mixed ingredients.

7 speed control and pulse

Multiple speeds and pulse gives maximum control for unlimited variety of recipes.

4L metal bowl with handle

Large, robust 4L metal bowl can comfortably knead up to 1300gms of dough so you can make up to 4 12" pizzas or 2 loafs of bread in one go. The metal handle makes it easy to carry and pour. While the splash guard cover prevents splashing when in use.

Strong metal bowl tools

Metal kneading hook, beater and whisk are easy to lock into place with a simple twist. Specially designed kneading hook mimics kneading by hand to ensure smooth, lump free dough.

Unique open arm for easier use

The open arm swings up in a practical position so you can easily attach and detach the bowl

tools. It can be closed again with a simple one hand push. The open arm also offers you full bowl access, a practical feature when checking consistency or adding ingredients.

1.25L blender jar

Based on world class, leading Philips blender technology, high performing blender attachment with a 4 star blade blends fruit, purees vegetables, crushes ice effortlessly. So you can enjoy smoothies, sauces, dips or baby food in minutes.

1.5L Food processor

Easy to attach food processor bowl with dedicated discs for slicing, chopping, shredding or granulating all variety of ingredients from vegetables to nuts to cheese.
