GC1424/40

Iron 30% faster with steam*

There's so much more to life than household chores, so you want to get them done as fast as possible. With continuous steam, non-stick coating and a built-in water spray, this iron is designed to remove wrinkles from garments quickly.

Easy to use

- Comfortable handle and stable heel rest for extra stability
- Integrated water spray for making ironing easier
- Large filling door for preventing water spilling
- Large temperature control dial for different kind of fabrics
- Triple precision tip for optimal control and visibility

Longer lifetime

- Calc-clean for extending iron's life for years

Fast crease removal

- Non-stick soleplate coating
- Power up to 1400 W enabling constant high steam output
- Continuous steam up to 15 g/min for fast crease removal
- Steam boost up to 60 g

PHILIPS

Highlights

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Comfortable handle and stable

Comfortable handle and stable heel rest for extra stability

Temperature control dial

The large temperature control dial lets you easily adjust to the right ironing temperature for each kind of fabric, so you can achieve your desired results safely.

Power up to 1400 W

Power up to 1400 W enabling constant high steam output.

Integrated water spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Calc-clean

Calc-clean for extending iron's life for years

Large filling door

Large filling door to prevent accidental water spilling.

Continuous steam up to 15 g/m

Continuous steam up to 15 g/min for fast crease removal.
