## AVENT

### Pacifier Ultra air

With glow-in-the-dark button Orthodontic & BPA-Free 2-pack 0-6m

SCF376/11

## Lets your little one's skin breathe

### Easy to find in the dark

Soothe with the comfort of air. The Philips Avent ultra air has extra-large holes to keep skin dry. It has a glow-in-the-dark button so you can see it when the lights are out. Available in various colors and designs.

### Sterilize and store in one handy case

• Sterilize in 3 minutes for convenient sterilization

### Soothe with the comfort of air

• Lets baby's skin breathe

### Comfortable soft & silky nipple

- Nipple made of 100% food-grade silicone
- Natural oral development
- Natural feel for baby

### **Quality assured**

• Designed and produced in the Netherlands

### Supports sleeping routines

• Long lasting glow-in-the-dark

### Highlights

### Lets baby's skin breathe

Extra-large airholes ventilate your baby's skin keeping it dryer while soothing.

### Long lasting glow-in-the-dark

Use ultra air's glow in the dark button to find your baby's pacifier quickly without having to switch on the lights.

### Nipple made of 100% silicone

We choose consciously for silicone material for our ultra soft and ultra air nipples, since its a safe and inert material, widely used in medical applications, free of hazardous chemicals, endocrine active substances (e.g. BPA) and allergens.

#### **Orthodontic nipple**

Our orthodontic, symmetrical soft silicone nipples are designed for natural oral development.

#### Natural feel for baby

Our textured silicone nipple is designed to mimic the feel of mom's breast.

#### **Sterilize in 3 minutes**

The travel case that comes with our ultra soft and ultra air pacifiers doubles as a sterilizer. All you need to do is add some water and pop it in the microwave. Then rest easy that it's clean for the next use.

#### **Produced in the Netherlands**

Our ultra soft and ultra air pacifiers are designed and produced in the Netherlands.
