PHILIPS

Highlights

Double metal balloon beater

The double metal balloon beater together with the one touch auto button creates fluffy egg whites (up to 600% volume increase) and perfectly whipped cream (up to 200% volume increase). Creating delicious desserts has never been easier!

Innovative metal kneading hook

Together with the strong motor, this metal kneading hook quickly forms a dough ball from your ingredients. Once the dough is formed, the innovative kneading hook works the dough with the right force and power to enable you to make the tastiest bread.

Blade unit

Blade unit for mixing and blending cake batters

PowerChop technology

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result in both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

One touch auto buttons

In addition to the manual 12 speed + pulse control, this Avance Food Processor comes with 3 one touch auto buttons. To select them, simply turn the control dial to the "ON" position and press the one touch auto button. The motor then automatically sets the right speed and auto pulse functions for the best results.

Dishwasher safe accessories

All Philips Food Processor accessories included in your box are dishwasher safe.

XL bowl and blender jar

The extra-large 3.4-liter bowl has a working capacity of 2 liters to handle up to 7 servings of soup, 7 eggs whites or 1.7 kg of dough. A 2.2-liter blender jar handles 1.5 liters of ingredients for up to 5 smoothie portions in one go.

XXL Discs for faster execution

Thanks to the XXL discs (18cm), the Philips food processor will provide you a faster performance saving you time and effort while cooking.

Reversible disc for shredding

The reversible shredding disc (fine and coarse) is suitable for all types of vegetables.
