PHILIPS

Highlights

Aroma twister

This smart nozzle inside the jug circulates the inflowing coffee evenly through the jug for an optimal and consistent aroma, from the first to the last cup.

Drip stop

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Dishwasher-safe parts

The jug and filter holder can be easily cleaned in the dishwasher.

LED power switch

The red light on the switch button illuminates when the coffee maker is switched on.

Water level indication

Fill the water tank easily and precisely with the water level indication.

Compact design

This coffee maker is especially designed for brewing 2 up to 7 cups of coffee (maximum 0,6 liter). Thanks to its very compact design, this coffee maker takes little place in your kitchen.
