

Philips EasySpeed
Advanced
Steam iron

2400 W

190 g steam boost
35 g/min continuous steam
Ceramic soleplate

GC3672/26

Cordless ironing for ultimate freedom

EasySpeed Advanced combines powerful steam with the freedom of cordless ironing. Reach anywhere on the board and iron difficult areas with ease. Fast to heat up, quick recharging in seconds and carry lock for storing.

Fast ironing

- 2400 W for quick heat-up in 30 seconds
- Extra-large water hole for fast filling and emptying
- Up to 190 g steam boost blasts stubborn creases
- Smart base recharges in seconds with light-up indicator
- Steam output up to 35 g/min for strong, steady performance

Easy ironing

- Durable ceramic soleplate for easy gliding
- Less refilling with extra-large 300 ml water tank
- Carry lock and cord wrapping clip for easy and tidy storage

Long-lasting performance

- Calc-clean slider for long-lasting steam performance

PHILIPS

Highlights

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium build-up, or lime scale, and maintain peak performance.

300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank so you can iron more clothes in one go.

Easy storage

The iron attaches securely to its base with our carry-lock system. The cord is easily wrapped around the base and held in place with a clip for tidy storage.

2400 W to heat up quickly

Delivers a fast warm-up in 30 seconds for a quick start.

XL water filling hole

An extra-large opening for filling the water tank makes quick work of refills and emptying.

Fast-charging base

The smart base unit recharges the iron in seconds. Coloured-light feedback indicates when the iron is ready to use and reminds you when you need to recharge.

Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It's non-stick, scratch resistant and simple to keep clean.

Steam boost up to 190 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Up to 35 g/min of steam

Steam output up to 35 g/min for strong and steady performance

Specifications

Storage

- Cord storage: Cord clip

Easy to use

- Water tank capacity: 300 ml
- Soleplate name: Ceramic
- Drip-stop
- Tap water suitable
- Power cord length: 1.8 m
- Precision steam tip
- Extra-large filling hole

Guarantee

- 2 year worldwide guarantee
