The Philips OneBlade First Shave is a shaver designed to prevent nicks, cuts and skin irritation. You can be at ease and have peace of mind to achieve the clean shave you want without having to put in a lot of effort.

#### Easy to use

- Durable OneBlade

#### Clean shave

- Unique OneBlade Technology

#### Protective shave

- A fool-proof way to shave

# Highlights

## Unique OneBlade Technology

The Philips OneBlade has a revolutionary technology. Its fast moving cutter moves 200 times per sec, power through any length of hair, giving you a clean shave.

## Durable OneBlade

The blades are designed for lasting performance. For optimal performance, you will only need to replace each blade every 4 months\*. Replacement is easy and hassle free.

## Anti-friction blade

A special layer of micro-glass beads reduce friction to ensure smooth gliding while you shave to reduce irritation and eliminating the need for water and foam.
