

Philips Performer Active
Vacuum cleaner with bag

2000W

AirflowMax technology
EPA 10 filter

FC8653/01

Maximum suction power for better cleaning results*

With AirFlow Max technology and 4L dust capacity

The new Philips Performer Active delivers a better clean thanks to the Airflow Plus technology and the Powerful 2000W motor

Convenience

- Reach all corners thanks to the extra long ergonomic grip

Excellent cleaning results

- Revolutionary Airflow Max technology for extreme suction
- 2000 W motor generates max. 400 suction power
- 4L dust capacity for longer cleaning

Integrated Anti-Allergy system

- S-bag Classic Long Performance lasts up to 50% longer
- AirSeal with EPA10 filter for healthy air

PHILIPS

Highlights

Airflow Max technology

Airflow Max technology maximizes the airflow, allowing the dustbag to unfold uniformly, so you get the highest suction power, even as the bag fills-up!

2000 Watt motor

2000 W motor generates max. 400 suction power for excellent cleaning results.

4L dust capacity

The specially designed 4L dust chamber allows you to make optimal use of your dust bag, so you can clean for longer.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

S-bag Classic Long Performance

This new Philips synthetic dust bag has been developed to provide long lasting vacuum cleaner performance, i.e. a high level of suction power and maximum filtration, up to the moment the dust bag is full and ready for disposal.

AirSeal with EPA10

EPA10 filter and AirSeal capture the finest dust before the air is blown out for a dust-free environment and clean, healthy air.

Specifications

Nozzles and accessories

- Standard nozzle: Multi-purpose nozzle
- Accessories included: Crevice tool, Small nozzle

Design

- Color: Star Blue

Weight and dimensions

- Dimensions of product (LxWxH): 447x304x234 mm
- Weight of product: 5.2 kg

Sustainability

- User manual: 100% recycled paper

Performance

- Input power (max): 2000 W
- Input power (IEC): 1800 W
- Noise level (Lc IEC): 82 dB
- Suction power (max): 400 W
- Vacuum (max): 30 kPa
- Airflow (max): 42 l/s

Filtration

- Dust capacity: 4 L
- Exhaust filter: EPA 10 filter
- Motor filter: Microfilter

Usability

- Cord length: 6 m
- Action radius: 9 m
- Tube coupling: Conical
- Carrying handle: Front
- Tube type: Metal 2-piece telescopic tube
- Handgrip: Ergonomic grip with air slider
- Wheel type: Rubber
- Park or storage assist: Vertical and horizontal
