Handheld vacuum cleaner  
3.6 V

# Highlights

## Extended nose piece

The Philips Mini Vac FC6050 series has a long, narrow nose especially designed for precision cleaning. The extended nose piece makes it easy to clean in corners and along curves.

## Powerful rechargeable batteries

The Philips Mini Vac's rechargeable battery gives you the freedom of cordless cleaning wherever you want.

## 2-stage filter system prevents early clogging

The Philips Mini Vac's 2-stage filtration system ensures that, once inside, dirt cannot escape. The first filter blocks most dirt, while the pleated, second filter traps the finer dust particles.

## Brush tool and crevice tool

The Philips Mini Vac comes with a number of accessories to tackle any job with ease. The soft brush attachment is gentle on delicate surfaces and the crevice tool lets you clean even those awkward, hard-to-reach places.
