Greener every day

Save 35% energy with highly efficient HD motor*

The highest suction power ever, resulting in effortless cleaning: this is what the Philips Performer is all about. The new highly efficient HD motor uses up to 35% less energy, while keeping the excellent suction power.

Superior hard-floor cleaning

- Super Parquet nozzle removes 3 x more sticky dirt

Highly efficient anti-allergy system

- HEPA AirSeal plus HEPA 13 filter

Highly efficient anti-allergy system

- ECARF Seal of Quality for trusted results

Easy cleaning, even around furniture

- TriActive nozzle with unique 3-in-1 action

Low power consumption, high-power results

- New 1250 Watt HD motor generates max. 375 Watt suction power

PHILIPS

Highlights

New 1250 Watt HD motor

Highly efficient 1250 Watt HD (High Density) motor generates 375 Watt max. suction power, which means that you use 35% less energy without giving in on the cleaning result.

Use of sustainable materials

At least 60% of plastics are produced from bio-based or recycled material. Bio-based means that the plastic is made out of non-edible organic materials instead of scarce resources like oil.

ComfortControl handle

This ergonomically designed handle helps to prevent strain on wrists. It offers effortless single handed manoeuvring. Enjoy easier cleaning.

Super Parquet nozzle

The Super Parquet nozzle allows you to clean hard floors of all kinds thoroughly in one go, without the risk of harming them. Using the absorption capacity of the micro-fibre pads, together with the suction power of the vacuum cleaner, you achieve the best results without requiring any detergents or brushes.

HEPA AirSeal, HEPA 13 filter

This Philips vacuum cleaner has been designed in such a way that all the air taken in is passed through the washable HEPA 13 filter (99.95% filtration) before it is exhausted. No escape is possible.

TriActive nozzle

The TriActive nozzle cleans your floor in 3 ways in one go: 1) A larger opening at the tip of the nozzle easily sucks up big bits. 2) It has maximum cleaning efficiency due to optimised airflow through the nozzle. 3) The two side brushes sweep up the dust and dirt closely alongside furniture and walls.

ECARF Seal of Quality Award

This ECARF certified vacuum cleaner guarantees with 99.95% certainty that almost all the air in the room will be filtered along with the normal vacuum action. This removes almost all allergens from carpets, furniture and other spaces in your house.

Specifications

Performance

- Input power (max): 1250 W
- Input power (IEC): 1250 W
- Input power (IEC): 1250 W
- Noise level (Lc IEC): 78 dB
- Airflow (max): 39 l/s
- Suction power (max): 375 W
- Vacuum (max): 28 kPa
- Vacuum (max): 28 kPa
- Airflow (max): 39 l/s
- Input power (max): 1250 W
- Suction power (max): 375 W

Design

- Colour: Greige

Usability

- Tube coupling: Button
- Action radius: 12 m
- Action radius: 12 m
- Cord length: 7 m
- Carrying handle: Top and front

- Tube type: Metal lacquered 2-piece telescopic tube
- Cord length: 9 m
- Wheel type: Rubber
- Dust full indicator
- Clean Comfort cassette

Nozzles and accessories

- Standard nozzle: TriActive nozzle
- Accessories included: Crevice tool, Small nozzle
- Accessory storage: On handgrip
- Additional nozzle: Super Parquet nozzle

Weight and dimensions

- Weight of product: 6.5 kg

Filtration

- Dust bag type: s-bag
- Dust capacity: 4 L
- Dust capacity: 4 L
- Exhaust filter: Ultra Clean Air HEPA 13 washable filter
- HEPA Air Seal
