Highlights

Fresh, aromatic eucalyptus

The Anti-V* aroma comes in a replaceable cartridge for the Philips OlfaPure smart car-aroma diffuser. With a custom combination of natural essential-oil ingredients, including eucalyptus, laurel and camphor known to neutralise airborne microbes, this aroma helps clean the air while leaving you with a beautiful, fresh scent.

IFRA-certified safe to breathe

The fragrances used by the Philips OlfaPure 7200 have been tested for compliance with International Fragrance Association (IFRA) standards. This ensures that the scent contains the correct proportion of essential oils and that all ingredients are safe for use.

Natural essential-oil blend

Crafted in the south of France, Philips OlfaPure fragrances are made of high-quality, natural essential oils.
