

Select your scent. Enhance your mood.

Fragrances to enhance your driving experience

A special blend of minty and herbal elements are carefully combined to create a scent formula that helps reduce motion sickness.

A broad portfolio of French-designed fragrances

• Choose the right aroma to enhance your mood.

Natural, safe-to-use ingredients

- Aromas comply with IFRA safety standards.
- High-quality, natural essential-oil blend

LUMAC108BLKX1/1

Highlights

Herbal, cool mint

The Motion Sickness* aroma comes in a replaceable cartridge for the Philips OlfaPure smart car-aroma diffuser. Spearmint, lavender and eucalyptus have a calming effect on the body so you can truly enjoy the ride.

IFRA-certified safe to breathe

The fragrances used by the Philips OlfaPure 7200 have been tested for compliance with International Fragrance Association (IFRA)

standards. This ensures that the scent contains the correct proportion of essential oils and that all ingredients are safe for use.

Natural essential-oil blend

Crafted in the south of France, Philips OlfaPure fragrances are made of high-quality, natural essential oils.
