

Philips Marathon
Bagless vacuum cleaner

PerfectCare

FC9218/02

Professional cleaning

High cleaning power that lasts and lasts

Thanks to Philips' new Cyclone Filter technology, the bagless Marathon delivers suction power that lasts. Its efficient design and 2000 W motor deliver very high max. suction power in its category, and it's the quietest bagless available.

Superior hard-floor cleaning

- Super Parquet nozzle removes 3 x more sticky dirt

Highly efficient anti-allergy system

- HEPA AirSeal plus HEPA 13 filter

Outstanding results on carpets and furniture

- Turbo Brush nozzle removes 25% more hairs and dust

Easy cleaning, even around furniture

- TriActive nozzle with unique 3-in-1 action

Thorough cleaning results all the time

- 2000 Watt motor generating max. 350 Watt suction power
- High performance cyclone filter for lasting suction power

PHILIPS

Highlights

Lasting suction power

Thanks to its Cyclone Filter technology, the Marathon maintains a high level of suction power over time, whereas average vacuum cleaners lose suction power quickly as their dust bag or filter becomes clogged.

Powerful and quiet motor

The Marathon's powerful 2000 Watt motor generates very high max. suction power in its category. Its efficient design also makes it exceptionally quiet.

HEPA AirSeal, HEPA 13 filter

This Philips vacuum cleaner has been designed in such a way that all the air taken in is passed

through the washable HEPA 13 filter (99.95% filtration) before it is exhausted. No escape is possible.

Super Parquet nozzle

The Super Parquet nozzle allows you to clean hard floors of all kinds thoroughly in one go, without the risk of harming them. Using the absorption capacity of the micro-fibre pads, together with the suction power of the vacuum cleaner, you achieve the best results without requiring any detergents or brushes.

Turbo Brush nozzle

The Turbo Brush nozzle allows deep cleaning of carpets and quick hair and fluff removal from

carpets. The rotating brush actively removes small dust particles and hairs, resulting in a 25% better cleaning performance on carpets. The wheels of the nozzle prevent damage during use on hard floors.

TriActive nozzle

The TriActive nozzle cleans your floor in 3 ways in one go: 1) A larger opening at the tip of the nozzle easily sucks up big bits. 2) It has maximum cleaning efficiency due to optimised airflow through the nozzle. 3) The two side brushes sweep up the dust and dirt closely alongside furniture and walls.

Specifications

Performance

- Input power (max): 2000 W
- Input power (IEC): 1800 W
- Input power (IEC): 1800 W
- Noise level (Lc IEC): 76 dB
- Airflow (max): 40 l/s
- Suction power (max): 350 W
- Vacuum (max): 30 kPa
- Vacuum (max): 30 kPa
- Airflow (max): 40 l/s
- Input power (max): 2000 W
- Suction power (max): 350 W

Design

- Colour: Black

Usability

- Tube coupling: Button
- Action radius: 12 m
- Action radius: 12 m
- Cord length: 9 m

- Carrying handle: Top and front
- Tube type: Metal lacquered 2-piece telescopic tube
- Cord length: 9 m
- Power control: Electronic on appliance
- Wheel type: Rubber

Nozzles and accessories

- Standard nozzle: TriActive nozzle
- Accessories included: Crevice tool, Small nozzle
- Accessory storage: On handgrip
- Additional nozzle: Super Parquet nozzle, Turbo brush

Weight and dimensions

- Weight of product: 7.2 kg

Filtration

- Dust capacity: 2 L
- Dust capacity: 2 L
- Exhaust filter: Ultra Clean Air HEPA 13 washable filter
