Highlights

Rustic Lavender

Lavender comes in a replaceable cartridge for the Philips OlfaPure smart car-aroma diffuser.

Combined with soothing fruity and woody elements of pear and patchouli, and a light pine and white-musk undertone, it brings a sense of inner peace.

IFRA-certified safe to breathe

The fragrances used by the Philips OlfaPure 7200 have been tested for compliance with International Fragrance Association (IFRA)

standards. This ensures that the scent contains the correct proportion of essential oils and that all ingredients are safe for use.

Natural essential-oil blend

Crafted in the south of France, Philips OlfaPure fragrances are made of high-quality, natural essential oils.
