Best cleaning results on all floors

With PowerCyclone and TriActive Turbo nozzle

The new Philips PowerPro Duo offers you the best cleaning result on hard-floors and carpets. PowerCyclone Technology maintains high suction power for maximum performance. The TriActive Turbo nozzle captures more dust and fluff in one go.

Easy to clean

- One-step empty dust bucket, simple and hygienic
- 3 layer filter German technology captures micro particles*

Powerful cleaning performance

- Powerful 14.4V Lithium batteries for long runtime
- Quick charging time due to long-life Lithium-Ion batteries

2-in-1 cordless all-rounder

- 2-in-1 functionality for cleaning floors and furniture
- Cordless operation for freedom to clean everywhere
- Self-standing position for instant parking anywhere
- The nozzle's motorized brush thoroughly removes pet hair

Thorough cleaning results

- PowerCyclone Technology for maximum performance
- TriActive Turbo nozzle for powerful performance on carpets

PHILIPS

Highlights

PowerCyclone Technology

The PowerCyclone technology delivers thorough cleaning results in one go through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air in the cyclonic chamber to separate the dust from the air.

TriActive Turbo nozzle

The TriActive Turbo nozzle delivers powerful performance on hard floors and carpets. The motorized brush and the optimized airflow pick up all dirt and fluff in one go.

Quick charging with Lithium

PowerPro Duo is equipped with special Lithium batteries that charges much faster than conventional handsticks, therefore it will be always ready to use.

2-in-1: stick & handheld

The 2-in-1 functionality gives you both a stick and a handheld vacuum cleaner in one, to easily clean both floor and furniture.

Cordless operation

The rechargeable batteries for cordless operation gives you freedom to clean everywhere. Now the cable is not a barrier anymore and you can easily clean in different rooms with no hassle.

Self-standing parking position

The stick has a convenient parking position to stay upright, both with and without the

handheld. Therefore, you can instantly park the stick anywhere you want, also while you are cleaning.

Powerful 14.4V Lithium

The powerful 14.4V Lithium-Ion batteries have longer-lasting power versus standard batteries. Li-Ion batteries are also very lightweight, giving you a more enjoyable cleaning experience.

Effective on Animal Hair

Thanks to the TriActive Turbo nozzle with a motorized brush, you can now remove animal hair from couches, cushions and other fabrics. Ideal for pet owners.

One-step easy emptying system

The dust container is perfectly designed to dispose dust directly into the dust bin. Thanks to its One-step easy emptying system you can simply empty the dust bucket without touching the dirt, avoiding complicated processes. Easy to empty and hygienic to clean.

Specifications
