

Philips PerformerPro  
Vacuum cleaner with bag

**2100 W**  
HEPA 12 filter  
5L

**FC9184/01**

Highest suction power, even as the bag fills up\*

with 2100W motor and 5L dust capacity

With its powerful 2100W motor and specially designed dust chamber, Philips PerformerPro vacuum cleaner maintains high airflow, giving you the highest suction power. For great cleaning results, even as the bag fills up!\*

**Convenience**

- 360Flex hose swivel for smooth maneuvering
- Extra long grip with air slide for farther reach

**Excellent cleaning results**

- 2100 Watt motor generating max. 475W suction power
- Revolutionary Airflow Max technology for extreme suction
- 5L dust capacity for longer cleaning
- New 3-in-1 TriActive nozzle picks up coarse and fine dust

**Integrated Anti-Allergy system**

- s-bag Ultra Long Performance captures even more fine dust
- EPA 12 filter with 99.5% filtration of dust

**PHILIPS**

## Highlights

### 2100 Watt motor

2100 W motor generates max. 475W suction power for excellent cleaning results.

### TriActive nozzle

The TriActive nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It picks up the dust and dirt closely alongside furniture and walls with its left and right side air channels.

### EPA 12 filter

This special outlet filter captures 99.5% of the dust before the air is blown back into your

room, ensuring a clean, dust-free, environment.

### s-bag Ultra Long Performance

The Philips s-bag Ultra Long Performance made of five layers of high quality, non-clogging material captures even the finest dust. This excellent filtration gives you a better cleaning result and clean air in your home. The multilayer filtration also maintains the vacuum cleaners high suction power during the entire lifetime of the bag. The s-bag ULP has been tested and certified by the independent test institute TÜV Rheinland Group, proven to last up to 80% longer than a standard dustbag.

### 360Flex hose swivel

The Philips 360Flex hose swivel offers full 360 degrees of rotation of the hose for smooth maneuvering of the vacuum cleaner around your house.

### Extra long grip with air slide

This ergonomically shaped grip is convenient to use. Its extra long design gives you farther reach, so you can easily clean hard to reach places. The air slider allows you to adjust the suction power without having to bend down.

### 5L dust capacity

The specially designed 5L dust chamber allows you to make optimal use of your dust bag, so you can clean for longer.

### Airflow Max technology

Airflow Max technology maximizes the airflow, allowing the dustbag to unfold uniformly, so you get the highest suction power, even as the bag fills-up!

# Specifications

## Nozzles and accessories

- Accessories included: Crevice tool, Small nozzle
- Standard nozzle: TriActive nozzle
- Accessory storage: On tubeclip

## Design

- Color: Star blue

## Weight and dimensions

- Dimensions of product (LxWxH): 500 x 310 x 300 mm
- Weight of product: 5.0 kg

## Performance

- Input power (IEC): 1800 W
- Airflow (max): 47 l/s
- Sound power level: 79 dB
- Vacuum (max): 35 kPa

- Input power (max): 2100 W
- Suction power (max): 475 W

## Filtration

- Dust bag type: s-bag Ultra Long Performance
- Dust capacity: 5 L
- Exhaust filter: Super Clean Air HEPA 12 filter
- Motor filter: Triple layer

## Usability

- Tube coupling: Conical
- Action radius: 9 m
- Carrying handle: Top and front
- Cord length: 6 m
- Tube type: Metal 2-piece telescopic tube
- Power control: Electronic on appliance
- Wheel type: Rubber
- Dust full indicator
