Highlights

Beautifully smooth skin

Specifically designed for women to gently remove the finest hairs on the upper lip, chin, cheeks and jawline. This beauty accessory cuts so close to the skin that it removes from peach to sturdy hairs. As with other hair removal methods, the hair does not grow back thicker, denser or darker.

Built-in mirror

The built-in mirror makes it easy to use and helps you miss no hair. For a smooth skin wherever you are.

Full circle LED-light

The full circle LED-light ensures maximum visibility to spot and effectively remove even the finest hairs.

Compact and portable

This beauty accessory with its protective cap is made for on the go. The compact and lightweight design make it ideal for a quick touch up wherever you are. Ready to use with an AA battery included.

Gives results without pain*

86% of our consumers confirm no pain compared to waxing or tweezing while using Philips Facial Hair Remover 5000**.

Skin-friendly touch up

Includes hypoallergenic head for a skin-friendly experience*. The washable head is made of a corrosion-free material for an excellent hygiene. 86% of users confirm no skin irritation after use***.

The fast way to smooth skin

The Philips Facial Hair Remover 5000 provides faster facial hair removal method compared to tweezers. It effortlessly removes peach fuzz while being gentler than wax**.

Self-sharpening blades

The head with self-sharpening blades delivers constant closeness to the skin to enjoy flawless results, time after time.

Wide head with curved openings

The unique design of the head with curved openings ensures easy hair catching. The wide head provides you with great coverage and fast hair removal.
