# Highlights

## Extra small and lightweight

Mini Soother's shield is extra-small and lightweight for tiny babies up to 2 months old.

## Orthodontic teat

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as he or she grows.

## Made in the UK

You can be sure that your little one's comfort is in good hands. This soother was made at our award-winning site in the UK.\*

## Security handle

Our security handle lets you easily remove your baby's soother at any time. Even little hands can grab it!

## Snap-on cap for hygiene

When the soother isn't in use, simply snap on the cap before storing to keep the teat safe and clean.

## Easy to sterilise

Keeping your little one's Soothies and soothers clean is easy. Simply put them in your steriliser or submerge in boiling water.
