Highlights

See-through cooking window

Thanks to the transparent window design, you can check the cooking result at any time and see your favourite ingredients turn into delicious food.

13-in-1 cooking functions

The Philips Airfryer opens up a world of possibilities: fry, bake, grill, roast, dehydrate, toast, defrost, reheat and many more.

RapidAir Technology

RapidAir Technology, with its unique starfish design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little to no added oil.

Air is the new oil

The Philips Airfryer 3000 Series uses hot air to cook your favourite foods to crispy perfection, with up to 90% less fat.*

Easy to use and clean

All removable parts are dishwasher safe. Our Airfryer's QuickClean basket has a non-stick coating for easy cleaning. Frying with air also means your home will be free from the odour of traditional deep frying.

XL Size. For the whole family

The Philips Airfryer XL is designed with your family in mind. The 5.6 L capacity will help you cook a variety of meals for up to 4 meal portions in one go.

Touchscreen with 7 pre-sets

Touch a button and cook. Pre-set programmes include frozen snacks, fresh fries, meat, fish, chicken drumsticks, cake and even grilled veggies.
