PHILIPS

Highlights

See-through cooking window

Thanks to the transparent window design, you can check the cooking result at any time and see your favorite ingredients turn into delicious food.

13-in-1 cooking functions

The Philips Airfryer opens up a world of possibilities: fry, bake, grill, roast, dehydrate, toast, defrost, reheat, and many more.

RapidAir Technology

RapidAir Technology, with its unique starfish design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little to no added oil.

Personalized recipes

Receive daily recipe recommendations that suit your family's preferences. The more you use NutriU, the better it can tailor delicious recipe ideas to your needs. Get inspired by other cooks, and follow people with similar tastes***.

Tasty Airfryer recipes

Discover hundreds of mouthwatering Airfryer recipes that are tasty, healthy, and fast to make. The recipes in the NutriU app are curated by nutritional experts for everyday cooking.

Air is the new oil

The Philips Airfryer 3000 Series uses hot air to cook your favorite foods to crispy perfection, with up to 90% less fat.*

Easy to use and clean

All removable parts are dishwasher safe. Our Airfryer's QuickClean basket has a non-stick coating for easy cleaning. Frying with air also means your home will be free from the odor of traditional deep-frying.

XL Size. For the whole family

The Philips Airfryer XL is designed with your family in mind. The 5.6L capacity will help you cook a variety of meals for up to 4 meal portions in one go.

Touchscreen with 7 pre-sets

Touch a button and cook. Preset programs include frozen snacks, fresh fries, meat, fish, chicken drumsticks, cake and even grilled veggies.
