Highlights

Ambilight 3 sided

With Philips Ambilight, every moment feels closer. Intelligent LEDs around the edge of the TV respond to the on-screen action and emit an immersive glow that's simply captivating. Experience it once and wonder how you enjoyed TV without it.

Simply smart. Android TV

Your Philips Android TV gives you the content you want—when you want it. You can customise the home screen to display your favourite apps, making it simple to start streaming the movies and shows you love. Or pick up where you left off.

Design

Looking for a TV that fits in a smaller room? This smart TV is compact, easy to move around and looks great too. Whatever the size of your space, you won't have to compromise on performance, and you'll get the full Ambilight experience too.

Design

Silver bezel. Slender feet.

Dolby Atmos®

Increase the drama, no matter what you're watching. This Philips Android TV is compatible with Dolby Atmos-capable soundbars, which reproduce depth as well as height. You'll experience virtual three-dimensional surround sound that flows above and around you.

Full HD TV

Love everything you watch, with a Philips Full HD TV. The TV's processing engine optimises picture quality to deliver sharp images, rich colours and smooth motion. You get the best possible viewing experience every time.
