Professional Android TV Remote Control

Effortless functionality

Easy to use remote control with dedicated Netflix, YouTube and Cast buttons for faster access to more content.

Easy to use

- Cast button for easy streaming
- YouTube button for quick access
- Low-battery detection
- Netflix button for instant access

Smarter by design

- Lockable battery compartment
- Multi-RC settings memory
- Braille dots

Highlights

Netflix button

A dedicated Netflix button provides instant access for efficient usability. Terms and conditions apply for Netflix activation.

YouTube button

A dedicated YouTube button brings a world of entertainment to the big screen in a single push.

Cast button for easy streaming

A dedicated Cast button makes streaming content from external devices faster. Simply press to activate the connection info screen in order to stream from any Cast enabled laptop, tablet, phone or desktop .

Multi-RC settings memory

Keep your settings exactly the same between battery changes. Multi-RC saves your configuration in a permanent storage for effortless maintenance.

Lockable battery compartment

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.

Braille Dots

Essential buttons on this remote control are marked with braille dots beside them to assist the blind and visually impaired in operating the TV-enabling greater accessibility for all.
