Face Cleansing Brush Bristles

With the new Extra sensitive VisaPure Essential cleansing brush you can cleanse your skin better than with your hands, while being extra sensitive for your delicate skin. The brush comes with ultra soft bristles to give you an extra gentle cleansing experience with less skin irritation. The bristles are thin, longer and more flexible, thereby ensuring less friction on the skin for a very soft feel and more gentle cleansing effect. The ends of the bristles have been polished 2 times longer for a more gentle flow over the skin. An extra gentle way to a clean and healthy looking skin.
