Highlights

Li-ion 3100mAh battery

Your Philips mobile phone comes packed with a standout 3100mAh Li-ion battery for seamless and long lasting connections on the go. With such exceptional battery performance, you can banish nagging worries about missing important calls from both your professional and personal contacts. And when both work and family matters have been tackled to your satisfaction, you can hone in on transcendent gaming and surfing experiences on a single charge, thanks to the phone's best-in-class power technology.

2MP camera with 5MP lens

Capture pictures on the go with your phone's built-in 2 megapixel camera. Show details better thanks to the built-in 5MP lens.

OTG power bank

With On-The-Go power bank, enjoy the convenience of instantly powering up your Philips mobile phone. Simply insert an On-The-Go USB cable in the phone smartly.
