Stay connected

With dual SIM

The trustworthy Philips Xenium X128 is the perfect phone for those who work and play hard. With a dual SIM function and generous standby and talk times of up to 1 month and 8 hours, this solid phone will complement your hectic lifestyle.

Always on, always connected

- Up to 1 month of standby time
- Up to 8 hours of talk time
- Dual SIM for 2 groups of contacts

Multimedia essentials

- MicroSD memory card slot for extra memory/ data storage
- MP3 playback and ringtones for a superior audio experience
- Enjoy FM music your way - out loud or via a stereo headset
- LED flashlight - a handy light source in any dark situations

Highlights

Up to 1 month standby time

The phone can be on and in standby mode continuously for up to 1 month on a single charge.

FM radio on the go

Enjoy the convenience of tuning in to FM radio the way you want – play it out loud through the phone’s speaker or via your stereo headset. Just plug in the headset, which acts as an antenna and select your listening option in the menu.

MP3 playback and ringtones

Use the external memory card to transfer MP3 music files to your phone for a superior audio experience on the go. You can also personalize your ringtone with a selection from your MP3 files.

Built-in LED flashlight

Why grope around in the dark for your keys or the light switch? Just rely on the handy built-in LED flashlight in your mobile phone to shed light on any situation.

MicroSD memory card slot

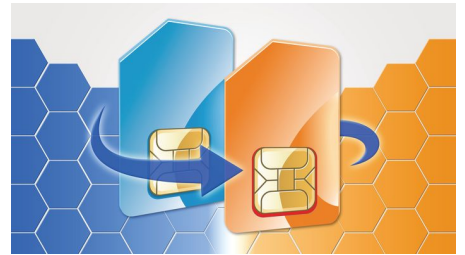

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

Up to 8 hours talk time

The phone can support up to 8 hours conversation on a single charge.

Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.
