PHILIPS

Highlights

One-touch GPS access

Get easy access to your phone's GPS feature via the dedicated button on its side. A few presses and you'll be able to map out precisely where you are and find the fastest route to get to any destination. Best of all, discovering new places is a breeze and you'll never get lost again!

GyPsii

Create, share and connect! Liven up your social network experience while on the go just by launching GyPsii on your Philips mobile phone. You can easily snap a photo, tag on a message and then hit the "send" button to share your experience instantly. Also, GyPsii keeps you connected to the latest updates on places, pals and your community - anytime, anywhere!

Optical trackpad

Effortlessly navigate through your mobile phone's menu and applications just by using its touch-sensitive optical trackpad. This intuitive tool lets you scroll seamlessly through your phone's contents, putting easy control right at your fingertips - literally!

8.1 cm/3.2" WQVGA touch screen

Enjoy brilliant colors and vibrant images like never before with your phone's large 8.1 cm (3.2") WQVGA TFT display. Revel in intuitive navigation and discover a world of mobile possibilities - with just a touch.

Up to 1 month standby time

The phone can be on and in standby mode continuously for up to 1 month on a single charge.

Up to 12 hours talk time

The phone can support up to 12 hours conversation on a single charge.

Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone

numbers. With Dual SIM, you don't need to carry 2 phones around.

Digital photo slide show

Breathe life into the photos in your Philips mobile phone by programming them into a slide show. Hit a few buttons, sit back and watch the digital images transition automatically from one to the next in a cool performance.

Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.

3.2 MP AF camera with flash

Capturing memorable moments is as simple as point-and-shoot. A built-in flash allows you to capture clear, sharp images - even in dim lighting conditions.
