CTX503BLK

Enduring connection, sleek design

Travel light with the Philips Xenium X503, as its dual SIM card slot and 8 hours talk time save you from carrying two phones or even a charger on a trip. And its sleek design means you don't have to leave your love of style behind either.

Always connected

- Dual SIM for 2 groups of contacts
- Up to 8 hours of talk time

Look sharp, stay sharp

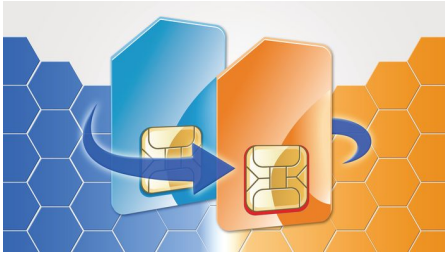

- Slim and compact

Multimedia - anytime, anywhere

- Capture your memories with 3.2 megapixel camera
- Easy tuning with on-screen display on RDS FM radio stations
- Enjoy Bluetooth stereo music
- MicroSD memory card slot for extra memory/ data storage

Highlights

Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

Slim and compact

Your Philips mobile phone is designed to set you apart from the crowd. Its slim form factor allows for a handy yet comfortable grip and its compact size ensures it fits perfectly in our pocket.

Up to 8 hours talk time

The phone can support up to 8 hours conversation on a single charge.

Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

RDS FM Radio

Enjoy quick and easy tuning to your favorite stations with Radio Data System (RDS) display, which shows the name of the station instead of frequency numbers. RDS also allows stations to transmit text messages and information directly to your radio display, so you can keep updated with news updates and radio promotions.
