Highlights

Up to 22 hours music playback

Enjoy music playback for up to 22 hours on a single charge.

Up to 8 hours talk time

The phone can support up to 8 hours conversation on a single charge.

2 megapixel camera

Use your 2 megapixel digital camera to enhance your photo experience with crisp, vivid pictures. The intuitive design and user

interface allow you to easily take high-resolution photos of up to 1600 x 1200 pixels to use as wallpaper for your phone display; send from your phone via MMS, Bluetooth, or infrared; or print and share.

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

FM radio

An FM radio application allows you to listen to your favorite FM radio programs wherever you are thanks to your mobile phone and its stereo headset.

Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.
