Highlights

Color Display

The screen can display up to 4,096 colors and 5 lines of text so that you can personalize your phone with the phone's built-in color wallpaper and screen savers, or download new ones via WAP

Icon-based menu

Each major menu function is represented by a dedicated and colorful animated icon, placed in a carousel for easy navigation.

Multi-person SMS

You can use multi-person SMS (Short Message Service) to send messages to several people at the same time simply by writing your message, selecting the recipients, and pushing "send."

Polyphonic Ringtones

Choose one of the embedded ringtones to personalize your phone with polyphonic melodies.
