

Precious & Elegant

Slim and brilliant active clamshell design.

Stylish design

· Active clamshell for your convenience

Light up your calls

· Visual call system to identify callers

Mobile Phone CT3308/00SRASIA

Highlights

Active clamshell

Active clamshell is a call management feature that allows you to quickly answer or end calls simply by opening or closing the clamshell.

Visual call system

With the visual call system you can select different colors to light your phone depending on who is calling, identifying the caller without opening your phone and while the phone is in silent mode.

Mobile Phone CT3308/00SRASIA
