Highlights

Dual SIM

- Packaging material: Carton
- User manual: Recycled paper

Accessories

- Standard Package Includes: Handset, Battery, Stereo Headset, Charger, USB data cable, User Manual, CD ROM (Mobile Phone Tools)

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

Slim and compact

Your Philips mobile phone is designed to set you apart from the crowd. Its slim form factor allows for a handy yet comfortable grip and its compact size ensures it fits perfectly in our pocket.

Up to 8 hours talk time

The phone can support up to 8 hours conversation on a single charge.

3.2 Megapixel camera

Capture and enjoy precious memories in clear and sharp picture quality with 3.2 megapixel resolution. Vibrant, colorful pictures are just a click away.

Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

RDS FM Radio

Enjoy quick and easy tuning to your favorite stations with Radio Data System (RDS) display, which shows the name of the station instead of frequency numbers. RDS also allows stations to transmit text messages and information directly to your radio display, so you can keep updated with news updates and radio promotions.
