# Highlights

## Fashion-forward design

When you want a fashion-forward phone to show the world your style, the sleek, modern design and premium finish set this phone apart from the ordinary.

## 1000mAh battery

Your Philips mobile phone comes packed with a standout 1000mAh battery for seamless and long lasting connections on the go. With such exceptional battery performance, you can banish nagging worries about missing important calls from both your professional and personal contacts. And when both work and family matters have been tackled to your satisfaction, you can hone in on transcendent gaming and surfing experiences on a single charge, thanks to the phone's best-in-class power technology.

## Dual-SIM

The phone supports the use of two SIM cards. This is a useful option that allows you to choose the most convenient rates and save on mobile communication.

## 1.77" TFT color display

Put the fun and excitement of vivid and colorful graphics and photos right at your fingertips with the 1.77" TFT color display that features good image quality and response time.

## FM radio on the go

Enjoy the convenience of tuning in to FM radio the way you want - play it out loud through the phone's speaker or via your headset. Just plug in the headset, which acts as an antenna and select your listening option in the menu.

## Built-in flashlight

Why grope around in the dark for your keys or the light switch? Just rely on the handy built-in flashlight in your mobile phone to shed light on any situation.
