Highlights

FM radio

Your FM radio application allows you to listen to your favorite FM radio programs wherever you are thanks to your mobile phone and its headset.

Brilliant 65K color display

Your phone's main screen color display brings you incredibly colorful images and pictures.

Multi-person SMS

You can use multi-person SMS (Short Message Service) to send messages to several people at the same time simply by writing your message, selecting the recipients, and pushing "send."

Polyphonic Ringtones

Choose one of the embedded ringtones to personalize your phone with polyphonic melodies.
