Highlights

Up to 40 days of standby time

Better than ever battery life! The phone can be on and in standby mode continuously for 40 days on a single charge.

Up to 10 hours of talk time

Talk longer too! Now enjoy up to 10 hours of conversation with a single charge, reducing the need to travel with a charger.

1000 phonebook entries

Huge storage memory holds up to 1000 phonebook entries and up to 5 numbers each allowing convenient storage of all business and personal contacts.

250 SMS storage capacity

The phone features extra memory capacity to store up to 250 SMS (Short Message Service) messages, allowing you to keep more of your precious messages than ever before.

Large end user memory

Large built-in memory allows you to store personal data such as SMS (Short Message Service) messages, contacts, and downloadable content such as wallpaper, ringtones, and more. Store up to 250 SMS messages and up to 1000 contacts, as well as downloadable content.

Bright 65K color OLED display

Full-color 65K main OLED display with 128x128 pixel resolution so you can view everything on your phone in super brightness. Enjoy all your images and pictures in crisp and vibrant color.
