Maximize your Multimedia Experience

- 2 megapixel digital camera for crisp, vivid pictures
- MicroSD memory card slot for extra memory/ data storage
- Enjoy Bluetooth stereo music
- Easy tuning with on-screen display on RDS FM radio stations

PHILIPS

Highlights

External OLED display

Without flipping the phone open, view the time, missed call, SMS alerts, alarms, to-do list, radio station and track information conveniently by simply pressing the volume keys '+' or '-'. It also lets you choose radio channels and music with ease.

Fashion-forward design

When you want a fashion-forward phone to show the world your style, the sleek, modern design and premium finish set this phone apart from the ordinary.

Up to 1 month standby time

The phone can be on and in standby mode continuously for up to 1 month on a single charge.

Up to 8 hours talk time

The phone can support up to 8 hours conversation on a single charge.

Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.

RDS FM Radio

Enjoy quick and easy tuning to your favorite stations with Radio Data System (RDS) display, which shows the name of the station instead of frequency numbers. RDS also allows stations to transmit text messages and information directly to your radio display, so you can keep

updated with news updates and radio promotions.

2 megapixel camera

Use your 2 megapixel digital camera to enhance your photo experience with crisp, vivid pictures. The intuitive design and user interface allow you to easily take high-resolution photos of up to 1600 x 1200 pixels to use as wallpaper for your phone display; send from your phone via MMS, Bluetooth, or infrared; or print and share.

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.
