### Professional look and feel

- Classic good looks adorned with metallic finishing
- 2.6" QVGA display with full viewing angles

### Extras in life

- Enjoy music out loud on car audio with wireless streaming
- Enjoy Bluetooth stereo music
- 5 megapixel camera with built-in flash

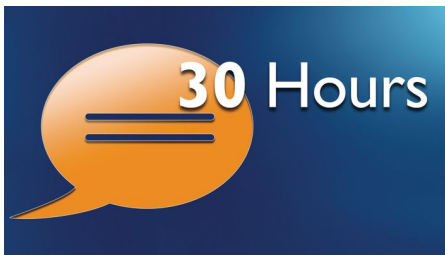

# Highlights

## Up to 3 months standby time

The phone can be on and in standby mode continuously for up to 3 months on a single charge.

## Up to 30 hours talk time

The phone can support up to 30 hours conversation on a single charge.

## Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

## Metallic finishing

Step out in confidence and panache with your stylish Philips mobile phone in hand. Its classic good looks are adorned with a subtle metallic sheen. Together with a beautifully streamlined silhouette, the phone exudes the utmost professional look and feel, whether you are closing deals in the boardroom or on the golf course.

## 2.6" QVGA display

This 2.6" QVGA screen with full viewing angles will bring colors to life on your Philips mobile phone. With vibrant hues and vivid details on all your photos and graphics, look forward to endless multimedia fun and excitement.

## Wireless music streaming

Bring your mobile phone music onto the car stereo with wireless music streaming. After selecting your favorite music files or playlists on your phone, all you have to do is to pair the FM frequencies of your phone and car radios and enable the FM transmit option. Then sit back and hit play to enjoy your music out loud without the hassle of USB cables. It's that simple.

## Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.

## 5 megapixel camera with flash

Indulge in trigger-happy moments with clear and razor-sharp images, thanks to your phone's 5 megapixel camera. The built-in flash means that you can snap fantastic shots, even in dim lighting conditions.
