Highlights

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

MP3 quick access hotkeys

Easily enjoy your MP3 songs and access essential music functions using the assigned MP3 quick access hotkeys. With a single click, launch your MP3 player, or adjust volume, and navigate the playlist.

SRS WOW surround sound

The 'WOW' icombination of SRS audio technologies creates a thrilling surround sound experience with deep rich bass from a mono or stereo sound sources. Your audio now sounds fuller, richer and wider. WOW restores the spatial cues often lost by audio compression or playing through small speakers.

Up to 40 hours music playback

Enjoy music playback for up to 40 hours on a single charge.

Equalizer for optimized sound

GoGear Players with Equalizer, utilize technology to automatically set the optimum sound frequency balance for a chosen music style. Whether it is Jazz, Rock or Pop that you are listening to, using the Equalizer preset setting allows you to enjoy the optimum sound for that music style.
