Highlights

Digital camera

The integrated digital camera with VGA resolution (640x480 pixels) allows you to capture precious moments of your life anywhere, anytime with your phone. Press camera key to take vibrant pictures and use as wallpaper and fotocall, or to send later via MMS.

Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

FM radio

An FM radio application allows you to listen to your favorite FM radio programs wherever you are thanks to your mobile phone and its stereo headset.

MP3 player

Your mobile phone with MP3 player enables you to enjoy high quality music all in one device. You can transfer your favorite MP3 hits and listen to them on the go.
