PHILIPS

Highlights

MP3 quick access hotkeys

Easily enjoy your MP3 songs and access essential music functions using the assigned MP3 quick access hotkeys. With a single click, launch your MP3 player, or adjust volume, and navigate the playlist.

MP3 playback and ringtone

Use the USB data cable to transfer MP3 music files to your phone for a superior audio experience on the go. You can also personalize your ringtone using your MP3 files.

Ladies' Planning Assistant

A range of specially designed ladies' lifestyle menus on your phone to provide practical planning assistant functions: female calendar, shopping list, weight measurement, calories intake suggestion, discount calculator and card info management.

Bluetooth

Bluetooth technology allows easy wireless connection to other Bluetooth devices on the

go. Enrich your mobile multimedia experience by using your Bluetooth headset, easily and quickly sharing files or synchronizing personal data to and from your phone.

Video capture and playback

The video capture function lets you record precious moments in MPEG4 or H263 format. Play it back on your phone or PC.

Infrared

Infrared is the simplest wireless technology for information exchange at close range, allowing easy sharing of images, backgrounds, songs, and phonebook contacts with friends and family and enabling wireless access to the internet through your PC.

128 Megabytes user memory

Enjoy the convenience and fun of storing more pictures and MP3 music files on your phone with the 128MB built-in user memory

Megapixel digital camera

The integrated digital camera with 1.3 megapixel resolution (1024x1280 pixels) allows you to capture precious moments of your life anytime, anywhere with your phone. Press camera key to take vibrant pictures and use as wallpaper and fotocall, or to send later via MMS.

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

Small and lightweight

This Philips sound system has a compact and attractive design packed with full multimedia features. Keep in touch with your contacts and friends with ease, and maximize the phone's features for a great mobile experience on the go.
