Highlights

Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

5MP wide angle front camera

Bring yourself to the forefront of fun snapshots with your family and friends, thanks to the 5 megapixel front camera with an 88 degree wide angle on your Philips mobile phone. If you're a fan of spontaneous selfies, this phone is for you.

Dual 4G (FDD-LTE and TD-LTE)

Your Philips mobile phone incorporates dual-mode 4G radio, which allows you to use mobile internet on a blazing speeds both in FDD-LTE and TD-LTE networks. Now you can enjoy wider LTE coverage with just one phone.

5800 mAh build-in battery

Your Philips mobile phone comes packed with a standout 5800mAh built-in battery for seamless and long lasting connections on the go. With such exceptional battery performance, you can banish nagging worries about missing important calls from both your professional and personal contacts. And when both work and family matters have been tackled to your satisfaction, you can hone in on transcendent gaming and surfing experiences on a single charge, thanks to the phone's best-in-class power technology.

6.217 inch LCD screen

Bring your favorite photos, videos to life on the 6.217" LCD display and enjoy immersive viewing with a 19:9 screen ratio that displays bright and rich colors and outstanding visual presentation.

16MP plus 0.3MP dual rear came

Get trigger-happy with the amazing 16MP plus 0.3MP dual rear camera of your Philips mobile phone that delivers quality picture ever. Plus jazz up your images with a fantastic array of creative effects for your snapshots. With different shooting modes like automatic face retouch, makeup effects, high-static-range imaging, panorama and continuous frame shooting, you're just a click away from photographic genius.
