# Highlights

## Brilliant 65K color display

Your phone's main screen color display brings you incredibly colorful images and pictures.

## Multi-person SMS

You can use multi-person SMS (Short Message Service) to send messages to several people at the same time simply by writing your message, selecting the recipients, and pushing "send."

## MMS messaging

MMS (Multimedia Messaging Service) allows you to use your mobile phone to send and receive pictures, video, and audio files with your text messages.

## MP3 ringtones

MP3 ringtones let you choose the sounds of your favorite songs for a personalized and rich audio experience just by selecting an MP3 file to set as your ringtone.
