## Smarter with IR connection. Always there for you.

Thanks to its infra-red remote control technology, Philips Smartphone S318 can manage your appliances at one go. Together with 2500mAh battery, 8MP AF rear camera, 5MP front camera, and 5" HD display, you can take life simpler and smarter.

### Benefits

#### Designed for you

- Sleek, fashion-forward design to show the world your style
- Dual SIM for 2 groups of contacts
- Excellent surfing experience with Dual 4G (TDD-LTE/FDD-LTE)
- Android 7.0
- Built-in IR control manages the appliances at one go

#### Extras in life

- 16GB built-in memory and 2GB RAM for excellent experience
- Quality shots with 8 megapixel autofocus camera with flash
- 5" HD IPS display for rich viewing details

**PHILIPS**

## Features

### Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

### 8 MPixel AF camera with flash

Shoot like a pro on the go with the 8 megapixel autofocus camera on your Philips mobile phone. Capture life's fleeting moments - big or small - in crystal-clear quality and beam them to friends and family with pride. And a built-in flash means that you can take great photos even in dim lighting conditions -so you won't miss a memorable shot, night or day.

### IR control

Empowered by the built-in IR function, your Philips mobile can control over 4,000 brands of home appliances and 200,000 remote control models through the remote control app that comes with the phone. You can now control your TV, air-conditioner, DVD, lights with our product and say goodbye to the most remote controls at home.
