Reflect your style

Nothing conveys prestige and confidence like the blackbody and variety of colour covers on the Philips S398. Step it up with a 1.3GHz Quad-Core processor, 12.7cm HD IPS screen and spacious memory, and see your potential soar.

Sensational touch

- Unique curvilinear design with optimal size
- 12.7cm HD IPS display

Bright sparks, fast speeds

- Maximized performance with 1.3GHz quad core processor
- Dual mode (WCDMA and GSM), dual coverage

Extras in life

- Quality shots with 8 megapixel autofocus camera with flash
- 2 megapixel front camera for self-portraits and video

Brilliantly smart

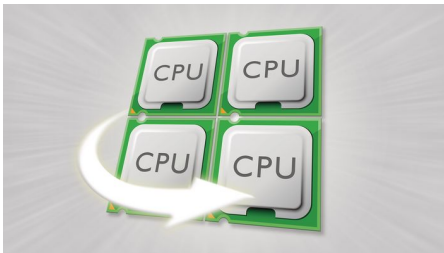

- Android 4.4

Highlights

Unique curvilinear design

Your Philips mobile phone comes with a unique 63 degree curve at both ends that will revolutionize the way you hold your phone. It manages to be both trendy and ergonomic to appeal to your sense of quality and aesthetics. Its sensible design features a large screen within an optimal size that fits snugly in your hand and also incorporates a speaker at the bottom of the phone to deliver the greatest volume when you speak.

1.3GHz quad core processor

Your Philips mobile phone now zooms along like never before, thanks to the powerful 1.3GHz quad core processor. This powerhouse keeps up easily with your multitasking demands at a much faster speed. Load web pages with lightning speed, watch uninterrupted videos plus get animations fast-and we mean fast! Gaming is seamless and immersive with exceptional picture quality.

Dual mode (WCDMA and GSM)

Your Philips mobile phone incorporates two SIM cards to allow you access to WCDMA and GSM network connections at the same time. Now you can enjoy wider mobile coverage on two networks with just one phone.

8 MPixel AF camera with flash

Shoot like a pro on the go with the 8 megapixel autofocus camera on your Philips mobile phone. Capture life's fleeting moments - big or small - in crystal-clear quality and beam them to friends and family with pride. And a built-in flash means that you can take great photos even in dim lighting conditions -so you won't miss a memorable shot, night or day.

2 megapixel front camera

Bring yourself to the forefront of fun snapshots with the 2 megapixel front camera incorporated into your Philips mobile phone. Besides allowing you to take self-portraits, this front-facing camera feature also means that you can engage in face-to-face communication with video calls with friends or colleagues.

Android 4.4

Empowered by Android, your Philips mobile now comes with a fully customizable mobile platform that is open to a wide range of smart applications and functions. Find your pocket PC, games console and telephone all rolled conveniently into one.

12.7cm HD IPS display

The IPS technology ensures great viewing from any angle, while the vibrant colors and vivid images render a full-bodied viewing experience. Whether you are showing off your latest snapshots to friends or surfing your favorite websites, the 12.7cm screen gives you an unbeatable visual treat while on the go.
