# Highlights

## Color Display

The screen can display up to 4,096 colors and 5 lines of text so that you can personalize your phone with the phone's built-in color wallpaper and screen savers, or download new ones via WAP

## Icon-based menu

Each major menu function is represented by a dedicated and colorful animated icon, placed in a carousel for easy navigation.

## Multi-person SMS

You can use multi-person SMS (Short Message Service) to send messages to several people at the same time simply by writing your message, selecting the recipients, and pushing "send."

## Polyphonic Ringtones

Choose one of the embedded ringtones to personalize your phone with polyphonic melodies.
