# Highlights

### Up to 1 month standby time

The phone can be on and in standby mode continuously for up to 1 month on a single charge.

### Up to 7.5 hours talk time

The phone can support up to 7.5 hours conversation on a single charge.

### Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

### MP3 playback and ringtones
Use the external memory card to transfer MP3 music files to your phone for a superior audio experience on the go. You can also personalize your ringtone with a selection from your MP3 files.

### FM radio on the go
Enjoy the convenience of tuning in to FM radio the way you want – play it out loud through the phone's speaker or via your headset. Just plug in the headset, which acts as an antenna and select your listening option in the menu.

### Built-in LED flashlight
Why grope around in the dark for your keys or the light switch? Just rely on the handy built-in LED flashlight in your mobile phone to shed light on any situation.
