Quick and easy messaging

- Fast, intuitive touch screen for swift navigation
- 7.6cm/3" 262K color TFT display for vivid, colorful graphics
- Touch-sensitive dashboard for smart access to applications

PHILIPS

Highlights

Up to 1 month standby time

The phone can be on and in standby mode continuously for up to 1 month on a single charge.

RDS FM Radio

Enjoy quick and easy tuning to your favorite stations with Radio Data System (RDS) display, which shows the name of the station instead of frequency numbers. RDS also allows stations to transmit text messages and information directly to your radio display, so you can keep updated with news updates and radio promotions.

Dual SIM, dual coverage

Enjoy the dual benefits of having 2 mobile phone lines for different communications

needs. Your mobile phone can have 2 SIM cards with 2 GSM connections at the same time - it's like having 2 phones in 1! Plus, enjoy wider mobile coverage on the move.

Fast, intuitive touch screen

Easy-to-use touch screen interface truly simplifies your mobile phone experience. Navigate swiftly through menus with a stylus or simply touch and flip through folders. Calling, sending SMS or just organizing your life is a breeze with your mobile.

Touch-sensitive dashboard

Enjoy smart and intuitive access to frequently used applications with touch-sensitive dashboard - just a touch is all it takes!

7 cm/3" 262K color TFT display

ut the fun and excitement of the most vivid and colorful graphics and photos right at your fingertips with the 7.6 cm (3") 262K color display that features excellent image quality and response time.

Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD

memory card into the built-in memory card slot of your phone.

Up to 8 hours talk time

The phone can support up to 8 hours conversation on a single charge.

5 MPixel AF camera with flash

Capturing memorable moments is as simple as point-and-shoot. A built-in flash allows you to capture clear, sharp images - even in dim lighting conditions.
