Highlights

Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

1.5GHz quad core processor

Your Philips mobile phone now zooms along like never before, thanks to the powerful 1.5GHz quad core processor. This powerhouse keeps up easily with your multitasking demands at a much faster speed. Load web pages with lightning speed, watch uninterrupted videos plus get animations fast-and we mean fast! Gaming is seamless and immersive with exceptional picture quality.

Android 5.1

Empowered by Android, your Philips mobile now comes with a fully customizable mobile platform that is open to a wide range of smart

applications and functions. Find your pocket PC, games console and telephone all rolled conveniently into one.

8GB ROM, 1GB RAM

Your Philips mobile phone comes with a 8GB built-in memory, so you can pack more into your life on the go. With the large storage available for your ever expanding needs, there is more room for your favorite apps, photos and important documents. The 1GB ROM can let you enjoy seamless performance during playing games and viewing news in spare time.

Dual 4G (FDD-LTE and TD-LTE)

Your Philips mobile phone incorporates dual-mode 4G radio, which allows you to use mobile internet on a blazing speeds both in FDD-LTE and TD-LTE networks. Now you can enjoy wider LTE coverage with just one phone.

8 MPixel AF camera with flash

Shoot like a pro on the go with the 8 megapixel autofocus camera on your Philips mobile phone. Capture life's fleeting moments - big or small - in crystal-clear quality and beam them to friends and family with pride. And a built-in flash means that you can take great photos even in dim lighting conditions -so you won't miss a memorable shot, night or day.

Li-ion 3000mAh battery

Your Philips mobile phone comes packed with a standout 3000mAh Li-ion battery for seamless and long lasting connections on the go. With such exceptional battery performance, you can banish nagging worries about missing important calls from both your professional and personal contacts. And when both work and family matters have been tackled to your satisfaction, you can hone in on transcendent gaming and surfing experiences on a single charge, thanks to the phone's best-in-class power technology.

5" HD IPS display

Your Philips mobile phone comes endowed with an awesome 5" high definition display that brings you truly vibrant colors and razor-sharp detail. The IPS technology ensures great viewing from any angle, while the vibrant colors and vivid images render a full-bodied viewing experience. To top it off, navigating on the wide screen is also swift and effortless. Whether you are surfing your favorite websites or viewing your latest snapshots and videos, the 5" screen gives you an unbeatable visual treat while on the go.

IR Remote control

Empowered by the built-in IR function, your Philips mobile can control over 4,000 brands of home appliances and 200,000 remote control models through the remote control app that comes with the phone. You can now control your TV, air-conditioner, DVD, lights with S326 and say goodbye to the most remote controls at home.
