Main parameters

- Auto shut-off time: 15 minutes
- Working voltage: 12.8 V

- Working power: 23 W
- Battery: 2200 mAh
- Charging current: 1 A
- Charging voltage: 12.8 V

Country of origin

- Made in: China

Service

- Warranty period: 2 years

Highlights

Imitation of real-life massage

The massager adopts an innovative 6-claw kneading mechanism, which simulates a real-life 6-finger massage technique, grasping while rubbing both shoulders and neck to quickly relax the neck muscles.

Joint care of shoulder & neck

The massage claws can cover the neck and shoulders at the same time, kneading and squeezing the muscles, so that the neck and shoulders can be relaxed together.

Warm compress

Using a large-area heating process, the sore shoulders and neck are supplemented with warm and hot compresses to promote blood circulation, so that the muscles can quickly relax and release fatigue;

Various massage modes

There are 3 preset massage modes and rich massage techniques, so that the massage process is no longer single.

Double adjustable pull straps

Bilateral adjustable pull straps ensure that the massage head can fit the neck and shoulders, and the massage intensity can be adjusted by pulling force.

Charge and plug dual use

The massage shawl can be used plugged or unplugged, not bound by the power cord. You do not need to wait for the charging process, and can easily use it anytime, anywhere;

Adjustable massage intensity

Preset 2 levels of massage intensity, the intensity of massage is up to you
