Read easier on your screen

with ePaper display

Philips ePaper display delivers a comfortable viewing experience for extended reading sessions. Featuring a reflective display with no blue light and versatile connectivity.

Designed for eco-consciousness and sustainability.

ePaper display: Read in comfort for long periods

- Paper-like experience for ultimate reading comfort
- Features like anti-glare to ensure eye strain reduction
- On-screen menu for setting viewing mode preferences

Features designed for you

- SmartConnect with HDMI, DisplayPort and USB-C connections
- SmartErgoBase enables people-friendly ergonomic adjustments
- SmartRemote menu allows easy control to view your content

Greener everyday

- Environmentally sustainable and user-friendly packaging
- Low power consumption saves energy bills

PHILIPS

Electronic paper display
3000 series 13 (13.3" / 33.8 cm diag.), 1200 x 1600 (UXGA)

13B1K3300/89

Highlights

Electronic paper display

The Philips ePaper display protects your eyes and the environment. With E Ink technology, content displays like paper without emitting a harsh backlight. Work longer without eye fatigue or headaches caused by conventional flickering, backlit LCD monitors. The features of anti-glare, no flickering and no blue light help avoid eye strain. Ultra-low power consumption and paperless display are designed to meet suitability goals.

SmartConnect

Philips displays come equipped with multiple connections such as USB-C, DisplayPort and HDMI connector, enabling you to enjoy high

resolution uncompressed video and audio content.

SmartRemote software*

The new SmartRemote software by Philips allows you to control your ePaper monitor via an easy-to-use on-screen menu. You can drag files into the tool window, search content, zoom in, zoom out, and switch pages. Reduce distractions by displaying just what you need. Go to Philips website support page to download the latest App version.

SmartErgoBase

The SmartErgoBase is a monitor base that delivers ergonomic display comfort and

provides cable management. The base can swivel, tilt and rotate to various angles to ensure maximum comfort. The height adjustable stand guarantees the optimal viewing level, reducing the physical strains of a long workday, while cable management reduces cable clutter and keeps the workspace neat and professional.

Eco-Friendly Packaging

This model uses 100% recyclable packaging, using no Styrofoam at all. Additionally, in consideration for people and time, the packaging is easy to remove.

Specifications
