# Highlights

### Use less. Re-use more.

At Philips, we renew products returned by our customers to give them a second life. With our refurbished products, we always strive for the highest quality and offer you a more sustainable alternative while saving you money. Your refurbished shaver comes with a 1 year warranty and full customer support.

### SkinProtect blades

With up to 90,000 cutting actions per minute, the SkinProtect blades deliver a close shave with fewer passes\* for more comfortable skin. The 45 high-performance blades are self-sharpening for a consistent shave every time.

### Smart Hair sensor

The intelligent sensor reads facial hair density 125 times per second and auto-adapts cutting power for an effortless and gentle shave.

### One-touch open

Clean your electric shaver with the touch of a button. Simply flip open the shaver head and rinse with water.

### 360° contour heads

Fully flexible heads turn 360° to follow your facial contours. Experience optimal skin contact for a thorough and skin-friendly shave.

### Intuitive display

The intuitive display shows the information you need to get the best experience from your shaver. The LED interface includes: 3-level battery status, cleaning advice and travel lock indicator.

### Rubber grip

Handle your shaver comfortably and with precision, thanks to anti-slip rubber that makes it easy to keep a secure grip, even when wet.

### Shave wet & dry

Get a convenient dry shave or a more refreshing wet shave with gel or foam - even in the shower.

### Beard styler attachment

With the choice of 5 different length settings, the beard styler attachment can create anything from the a perfect stubble to a short, neatly trimmed beard. It's also useful for a pre-shave trim.

### 60 minutes of cordless shaving

Use your shaver at home or on-the-go for up to 60 minutes on a 1-hour charge - that's about 20 shaves. Or a 5-minute quick charge gives enough power for one shave.
